Gorgeous west-facing sunsets, level lot, lakeside firepit and a cozy atmosphere are just a few of the amazing features at this Wenona Lake property. The perfect natural playground awaits at the water's edge, with shallow entry for the little ones, and deeper water off the dock for the older kids and adults. A stream runs along the side of the property, offering a peaceful tranquility you can only find amongst the trees. The warm and homey cottage has been lovingly maintained and is ready for a new family to enjoy. Head inside to find an open main floor kitchen/living room/dining room, perfect for gatherings with friends and family. The floor-to-ceiling windows, offering a gorgeous lake view and unbeatable sunsets, from almost all areas of the house is the real show-stopper though.
