158 ALEXANDRA Way, Craigleith,  
Ontario, L9Y0S3

Perfectly situated on prestigious Alexandra Way, with a park and walking trails right across the road, offering sweeping views of the escarpment and the night lights at Blue. This stunning custom built 5 bedroom chalet is within easy walking distance to Craigleith Ski Club, minutes to Alpine Ski Club, Blue Mountain, and Northwinds Beach. Welcome your guests in the large front entry, featuring heated floors, and convenient access to the custom boot room. Entertain or just relax with family and friends in the spacious open concept great room with its soaring post and beam accented vaulted ceiling, dramatic 2 storey stone gas fireplace, and large light filled view windows. The bistro inspired kitchen was recently renovated, and is equipped with Wolf and Sub Zero stainless appliances, Caesarstone countertops, quality cabinetry and a large central island. The main floor primary bedroom complete with a just renovated ensuite bathroom, is just one of five bedrooms in the home. Four others are found on the lower garden view level, which also features a renovated full bathroom with heated floors, and a spacious family room. The perfect place for the kids to hang out, watch movies, or play games. (id:37775)
