Picture yourself and start imagining the memories you will make in this lakeside retreat on Dickey Lake. This lake offers boating, fishing (Trout and Bass) and is on a municipal year-round road that includes garbage and recycling pick up and close to trails for your year-round enjoyment. The home has been recently updated on the second floor and features fresh paint, flooring, and baseboard molding. Entertain friends and family on the second level screened in porch that overlooks the lake or catch some rays on the new dock or out boating on the lake. The lower level features a spacious family room with a woodstove for the cold days or nights. Other features on the lower level include a second bedroom, bathroom, storage and utility rooms and a walkout to an interlocking brick patio. Added features include 200 amp breakers, vinyl siding (freshly power washed), metal roof, septic system. There is a detached single car garage to store your toys. This home comes with most furniture included and ready for you to move in. See the separate chattel list. Come Be Where You Want To Be! (id:37775)
