Looking for a home with a premium lot that offers the utmost in privacy in Balm Beach?

This rare 2 storey brick home is only a 3 minute walk to the beach and the hub of all the action, yet it remains a serene, quiet and peaceful location with great neighbours.

Lots of guests need somewhere to sleep?

Check! Those guests will also all be able to gather at the same time in this huge eat in kitchen with giant patio doors. Looking for a unique place that is a conversation starter?

The original structure was a single storey log cabin built in 1935. A previous owner was a brick layer and created a brick 2 storey home around the original single storey log home. The log cabin ceiling is still visible and the original log walls are directly behind panelling. The second floor has a walkout to an upper deck. A vegetable growing space, a work shed (previously a garage), privacy hedges, and a large lot for the whole family to enjoy seals the deal.

This home is waiting for your custom touch!

Not familiar with Balm Beach? We have the best beaches, the best water, great restaurants, tennis, parks, a summer time open air arcade, live music on the beach, and an 8-10 minute drive into Midland offers everything you could ever need.
